### Remarks

Enjoy the most magnificent views and easy living every day at Waterfront at Main! Located directly in the heart of Lakewood Ranch, these condo units offer unparalleled access to dining, shopping, events, health care, and lake activities on the shores of Lake Uihlein. The second-floor balcony offers extraordinary views of the lake, improved by being at a lower level for wider and closer views. This CORNER unit also faces east; with impressive views of the conservation area in the lake, and the longest lake views of any of the Waterfront buildings. Your private, screened balcony will be the perfect place to experience the views of the lake and conservation area that provides a sanctuary to local birds including ibis and herons. This premier unit location will dazzle you every day with the sunrise sparkling off the lake and countless birds nesting at sunset. The Cayman floor plan offers a spacious 1,558 square feet with 3 bedrooms and 2 bathrooms. Sophisticated living is achieved with light and airy finishes including plantation shutters, tray ceilings, high-end light fixtures, and 2023 white oak plank flooring in the bedrooms. The open floor plan features a great room and dining room off the kitchen for seamless entertaining. The great room also has a custom coffered ceiling. I FD lighting.
